

Shopmen Ignore Agreement and Slug Workers

Chicago Union Repudiates Chiefs and Demands Dismissal of Men; Start Riot When Refused

Police Disperse Mobs

Clash at Chicago, Milwaukee & St. Paul Plant When 'Victorious Army' Returns

Special Dispatch to The Tribune
CHICAGO, Sept. 16.—Striking shopmen, returning to work in various Chicago shops to-day, repudiated and violated the terms agreed to by their own chiefs, when they demanded the immediate dismissal of all men taken on during the strike and the old men who remained loyal to the rail companies. When this was refused they began beating up non-union men. There were two riots of considerable proportions, but they were quelled by the police, who found a number of workmen badly beaten.

The strikers demand that they return as a victorious army, that everything be cleared out of the shops, that all their former foremen be reinstated and paid for the period of the strike and additional demand at variance with the agreement signed by their officers.

A clash between returning union strikers and non-union workers at the Chicago, Milwaukee and St. Paul roads Galewood shops brought a rush of all available police reserves to the shop this afternoon. When strikers returned to work at the round house, they found laborers brought in from the south. They refused to enter and settled down to wait quitting time when the workers should come out of the shops.

Police Disperse Strikers

Anticipating a riot when the workmen came out, heavy police reserves were sent to the shops, and the strikers were dispersed. A speedy end to the "run-away strike," which has developed on the Chicago & Northwestern Railway in the last twenty-four hours, was predicted to-day by General Manager Walters.

The system's shop crafts' officers, it was admitted, served notice on the officers of the road yesterday that the men who joined the road during the strike must be discharged as a prelude to the return of the strikers.

Separate agreements with labor unions were reached by the Pennsylvania, Lehigh Valley and Seaboard Air Line systems, according to reports received to-day. Negotiations at Washington and Louisville to settle the shopmen's strike on the Southern and Louisville and Nashville systems came to nothing principally on account of disagreements over the status of men who took the places of the strikers. Sixteen roads have now reached peace agreements with their men.

More Agreements Signed
CLEVELAND, Sept. 16.—William G. Lee, president of the Brotherhood of Railroad Trainmen, announced to-day that agreements continuing present working rules and wages have been signed by the Brotherhood of Railroad Trainmen for the Pennsylvania lines east of Pittsburgh and Erie, and by

the Order of Railway Conductors for the entire Pennsylvania system.

Mr. Lee at the same time announced that similar agreements had been signed by trainmen and conductors for the Lehigh Valley system.

Agreements for the Western divisions of the Pennsylvania are expected to be signed shortly. A committee for the trainmen is at the present time negotiating with the Western Pennsylvania lines. The agreements will continue over a period of one year.

A telegram received from General Chairman Charles E. Musser, representing the Pennsylvania lines east, notified Mr. Lee of the signing of the agreements on the Pennsylvania. They were signed after authorization by the unanimous vote of eighty-four committee men in Mr. Musser's jurisdiction.

C. A. Donnelly, of Bethlehem, Pa., general chairman of the Lehigh system, notified Mr. Lee of the signing of the agreement on the Lehigh Valley system. The agreements provide for a continuation of the present rates of pay and working conditions for one year and is in substance the same as that signed by Mr. Lee, L. E. Sheppard, president of the Order of Railway Conductors and New York Central Railroad officials in New York.

WASHINGTON, Sept. 16.—Demand by union leaders that all men taken on during the strike be discharged immediately upon the return of strikers to their jobs was understood to have broken up a conference here to-day between Southern Railway officials and general shop-craft chairmen, which was designed to bring about a settlement

on the basis of the Warfield-Willard-Jewell agreement.

LOUISVILLE, Ky., Sept. 16.—Efforts of officials of the Federated Shop Crafts and the Louisville & Nashville Railroad to effect a settlement of the shopmen's strike at a conference here to-day failed when the road officials refused to accept the terms of the Warfield-Willard-Jewell agreement on the ground that they would jeopardize the rights of the "more than 10,000 workers now employed to fill the places left vacant by the strikers."

Seaboard Air Line Settles

NORFOLK, Va., Sept. 16.—Seaboard Air Line Railroad officials and shop crafts union representatives this afternoon adopted the Warfield-Willard-Jewell agreement for settlement of the shopmen's strike, and arrangements were begun for having the men return to work Monday morning.

PITTSBURGH, Sept. 16.—Executives of the Pennsylvania system, still in conference with representatives of their conductors and trainmen, refused to comment "at this time" upon the declaration of settlement made at Cleveland by President W. G. Lee, of the trainmen.

PHILADELPHIA, Sept. 16.—Representatives of the firemen and engine men of the Pennsylvania Railroad will meet with officials of the Pennsylvania Railroad here next Monday to resume conference on a new working agreement begun in New York this week, announcement was made to-day.
